False Bay Whole Bunch Cinsault Mourvèdre Rosé, WO Coastal Region 2025

False Bay Vineyards

— Coastal Region, South Africa

This wine comes from low-yielding, coastal vineyards, delicately whole-bunch basket pressed for only the purest juice. A fine wine that happens to be pink.

Production

The grapes for False Bay Whole Bunch Cinsault Mourvedre stem from bush-vine Cinsault (mostly old vines) from Stellenbosch and Swartland, along with a small proportion of Mourvedre from Stellenbosch which adds a savoury depth to the wine. These old vines produce naturally low yields and retain good acidity. Made by Waterkloof's talented young Cellarmaster Nadia Langenegger. Balanced grapes are hand harvested, whole-bunch pressed and fermented spontaneously with wild yeast in stainless steel and wooden foudre. The wine is left on lees for a minimum of three months before bottling. No additions other than sulphur as a preservative. Grown, made and bottled in South Africa. Vegan friendly wine. Coastal Vineyards, Sustainably Farmed, Hand Picked, Naturally Crafted, Wild Ferment.

Tasting note

A pale, spicy and textural Rosé mostly sourced from bush-vine Cinsault with summer fruits on the palate and a clean, savoury, dry finish. A subtle and delicate style makes this a versatile and food friendly wine.

Food Match

Perfect with Mediterranean dishes especially juicy pan-fried garlic prawns... or drink chilled on its own.
