Franz & Friends Grüner Veltliner, Kremstal 2024

AWT0012024

Weingut Türk

— Niederösterreich, Austria

A classic and approachable expression of Grà¼ner Veltliner from its Austrian homeland.

Production

Fruit is selected from some of the best parcels across the Kremstal region, and is vinified in stainless steel to produce a classic expression of the Grà¼ner Veltliner grape.

Tasting note

Freshly aromatic on the nose with white peach and green herbs. The palate is bright and pithy, with green fruits, some more white peach and a fresh, clean, saline finish. A very approachable, bright, breezy Veltliner.

Food Match

Pair with roasted vegetable pasta and risotto dishes, or with fried chicken and pork.
