Domaine Nicolas Delfaud Mâcon-Verzé Blanc, AOP Mâcon-Verzé [Organic] 2024

FND0012024

Domaine Nicolas Delfaud

— Burgundy, France

A classic, subtly oaked white from Southern Burgundy.

Production

The Chardonnay vines for this Mà¢con-Verzé Blanc were planted between 1993 and 2014, in clay-limestone soils with some marl. The domaine is in conversion to organic farming and also uses some biodynamic practices. Grapes were hand harvested, pressed, and the wine was then fermented with natural yeasts before being left on its lees in a combination of vats and old oak casks for 8-12 months.

Tasting note

Generous and broad, with fresh yellow apple, a pleasing savoury aspect and a touch of baking spice.

Food Match

A jambon beurre or a croque monsieur.
