## Production

Adobe is a line of organic reserve wine that reflect the highest quality of the vineyards and a deep respect for the environment and its workers. Everything used to make this organic wine is of natural origin The grapes are hand picked when the fruit had reached its optimal degree of ripeness. Fermentation takes place with selected yeasts in stainless steel tanks. The temperature is carefully managed to remain cool (around 15ºC) without pumpovers and with delicate lees stirring, in order to reach the desired results. Finally, the wine is fined with bentonite and cold-stabilized before bottling to prevent tartaric precipitations in the bottle.

## Tasting note

Pale yellow in colour with a floral notes of honeysuckle and jasmine. The mid-weight palate has plenty of peach and nectarine fruit with gentle star annnise spice. Balanced with refreshing acidty on the finish.

## Food Match

Due to its soft texture and its complex and concentrated flavours, this wine is ideal for serving with grilled escalopes with a tropical reduction, grilled fish such as Conger with a cream sauce and some desserts such as papayas with cream.

ABV:
13.00%

Case/Bottle Size:
6x 75cl

Closure:
Cork

Category:
Organic/Sustainable

Appellation:
Valle De Itata

Winemaker:
Emilio Contreras

Grape Varieties:
Viognier 100%

Suitable for:
Vegan

Allergen Info:
Contains Sulphites and No Other Allergens

Bottle Barcode:
37804320459173
