Chenin Blanc, WO Coastal Region (20 litre Keg) 2025

SAB19502025

Boutinot South Africa

— Coastal Region, South Africa

A fresh, dry Chenin with broad appeal.

Production

Sourced from old bush vines from Paarl and Drakenstein. No irrigation is used in the vineyards and very little crop control is needed due to the age of the vines naturally restricting yield. All grapes are harvested by hand. Produced from only free run juice, part of the blend is naturally fermented and a tiny percentage in old barrels. The wine is left on fine lees for an extended period for greater palate weight and mouthfeel.

Tasting note

Zippy citrus aromas with soft, delicate apple fruit on the palate balanced by crisp acidity. Extended lees contact gives this great value wine some real weight and character, a little wild yeast ferment in barrel adds texture and finesse too.

Food Match

A great partner to grilled fish, chicken and salads. Wonderful with Cape Malay curries, spicy mango salads and brightly flavoured pan-Asian cuisine.
