Domaine Michel Girard Sancerre Rosé, AOP Sancerre 2024

FLO4882024

Domaine Michel Girard et Fils

— Loire, France

Fine rosé Pinot Noir with elegance and structure.

Production

The Pinot Noir grapes for this Sancerre rosé are grown mainly on the Silex (flint) soils, providing freshness and elegant structure.

Tasting note

Delicate salmon pink colour and with a flinty nose, this is a savoury and full bodied style of Sancerre rosé. The palate is rich and beautifully balanced, with crunchy summer pudding fruit.

Food Match

Delicious on its own or with grilled fish, mixed pepper bruschetta, olives and antipasti.
