Cave de Turckheim Marnes et Calcaires Riesling, AOP Alsace 2023

FAL9152023

Cave de Turckheim

— Alsace, France

An exemplary and expressive Alsatian Riesling from lieu-dit Heimbourg.

Production

Marl and limestone soils are found in abundance on the slopes surrounding Turckheim and Wintzenheim. Giving wines with purity and longevity, brilliant expressions of Riesling and Pinots Blanc and Gris come from these soils. Cool fermentation and ample skin contact ensures an aromatic, expressive Riesling.

Tasting note

Aromatic, ripe citrus nose, quite limey with hints of petrol and a full, intense palate with more ripe citrus, subtle honeyed flavours and nicely balancing acidity on the long finish. A fine Alsace Riesling with great potential to age.

Food Match

Grilled fish, seafood especially scallops, chicken and semi-soft cheeses
