Sierra Grande Cabernet Sauvignon, DO Valle Central 2024

CHF0152024

Boutinot Chile

— D.O. Valle Central, Chile

Expressive Cabernet crammed full of varietal character and finesse.

Production

We source our Cabernet fruit from the Colchagua Valley which sits in the middle of Chile's main central valley. Colchagua is widely regarded as one of the best locations for red varieties in Chile and many illustrious wineries are based here. The warm, Mediterranean type climate suits Cabernet really well, allowing it to ripen fully, late into the season. A cool short fermentation to preserve fruit aroma and maceration on the skins for only a few days to extract nice colour but minimal tannins. No oak is used. Early bottling to keep the wine's youthful style. We love the pure, blackcurrant characteristics which are always so present in our Cabernet blend.

Tasting note

Bursting with red- and blackcurrant fruits, this is a really soft and varietally pure expression of Cabernet with gentle tannins. Cool herby flavours mingle with red fruits and a nice touch of acidity.

Food Match

Try with herby roast leg of lamb, char-grilled steak, or stuffed baked red peppers.

ABV:
13.50%

Case/Bottle Size:
6x 75cl

Closure:
Please Select

Appellation:
Vino De Chile

Winemaker:
Guillaume Létang
