Ananto Bobal Tempranillo, DO Utiel-Requena [Organic] 2024

ESN1052024

Bodega Sierra Norte

— Utiel Requena, Spain

A fresh, characterful and berry-fruited organic red from Utiel-Requena, showcasing the region's indigenous Bobal grape.

Production

Vineyards are located in the north-west corner of Utiel Requena, 900 metres above sea level. Wines are made from organically grown grapes in vineyards cultivated using natural fertilisers, cover crops, biological control of pests and not using any chemical products that may damage the health of the environment. Grapes are cooled and undergo pre-ferment whole bunch maceration before temperature controlled tank fermentation.

Tasting note

Vibrant aromas of blueberry and blackberry. The palate has juicy dark plum and spice notes wrapped in supple tannins with a smooth finish.

Food Match

Superb with roasts and stews, red meat dishes, farmhouse cheese or cold cuts.
