An intense and complex de-alcoholised red blend.

Production

Made from a selection of wines that are chosen for the intensity of aromas and freshness. This blend is then gently de-alcoholised through a vacuum distillation process with temperatures never going above 35 degrees to ensure the freshness and aromas of the wine are preserved.

Tasting note

Ripe bramble fruits, dried cranberries and black tea on the nose followed by good structure on the palate with firm tannins. The finish is bright and juicy with a touch of fresh berry fruit.

Food Match

Burgers, vegetarian toad in the hole or mushroom ragu.
