Cave de Turckheim Vieilles Vignes Gewurztraminer, AOP Alsace 2022

FAL4802022

Cave de Turckheim

— Alsace, France

Luscious and textured Gewurztraminer from old vines.

Production

From vines over 30 years of age. Traditional vinification in stainless steel tanks.

Tasting note

Like opening a box of Turkish Delight, the nose is rich, generous and heady. The palate is rich, rounded and ripe lifted by bright floral and honey characters and complimented by some lovely pithy texture. The acidity is lush and bright to the end. Scrumptious!

Food Match

Good with chicken salad Thai style, and can stand up to a healthy dollop of chilli paste. Alternatively, try with duck dishes, including duck paté if you're just in the mood for a snack. Peppers stuffed with jasmine rice or tabouleh is a great match too.
