Pasquiers Grenache Cinsault Rosé, IGP Pays d'Oc 2025

FPB072V12025

Maison Boutinot

— Languedoc, France

Traditional southern French varieties of Grenache and Cinsault are expertly blended to show the character and finesse in this great house rosé.

Production

Ripened under the Mediterranean sun of southern France, then harvested at the precise point where ripe fruit and fresh acidity are perfectly aligned, Grenache and Cinsault - two traditional French rosé varieties - are vinifed using the classic rosé-de-presse method. This involves a short maceration followed by gentle pressing to obtain the pretty colour of this sweetly-fruited, carefully balanced rosé blend without extracting unwelcome tannins.

Tasting note

This luscious and textural blend is very much a food wine; tangy red berries burst from Grenache to meld with gentle spice from Cinsault before the dry and fresh finish.

Food Match

A really versatile wine that will pair well with a variety of pasta dishes, barbeques and grilled chicken salads.

ABV:
12.00%

Case/Bottle Size:
6x 75cl

Closure:
Please Select
