Cape Heights Shiraz, WO Western Cape 2024

SAB2922024

2021 Vintage

Boutinot South Africa

— Western Cape, South Africa

Deliciously juicy, forward style of unoaked Shiraz from cool Coastal vineyards.

Decanter World Wine Awards Bronze 2023

Production

The vineyards for this Shiraz clamber up the foothills of the Paarl mountain, which are comprised of sandstone and alluvial soils. This region is hot and dry which forces these unirrigated vines to work hard to produce low yields and small berries. Produced from only free run juice and fermented on skins in stainless steel tanks, a portion of the grapes are whole bunch fermented as the ripe stems add to the overall tannin quality of the wine. The remainder of the grapes are destemmed and pressed.

Tasting note

A vibrant juicy style of Shiraz with ripe bramble and black cherry on the nose. Fresh summer pudding fruits and gentle spice on the palate lead to a mellow and satisfyingly rich finish.

Food Match

This wine was made with the barbecue in mind, it's a great partner to homemade burgers or sticky spare ribs.

ABV:
14.00%

Case/Bottle Size:
6x 75cl
