Domaine Michel Girard Sancerre, AOP Sancerre (37.5cl) 2025

FLO4872025

Domaine Michel Girard et Fils

— Loire, France

Classic, finely structured Sancerre Blanc.

Production

The grapes were hand-picked and gently pressed, fermented at 18°C by indigenous yeasts in stainless steel vats - all to preserve natural aromas, elegance and complexity. The final blend of wines from vineyards with the three different soils of Sancerre, brings together their individual elements and flavours to create a balanced, complete wine.

Tasting note

Expressive, with lovely herbaceous and pink grapefruit notes, full and round in the mouth supported by a fine, lightly chalky structure and refreshing acidity.

Food Match

The wine comes from Verdigny, the heart of goats cheese country so it's ideal with a soft tangy 'crottin'. Also great with delicate white fish or grilled vegetables.
