Château de Coulaine Rouge, AOP Chinon [Organic] 2024

FCC0032024

Château de Coulaine

— Loire, France

Thirst quenching - yes, but don't assume this is simple. There is real heart and beautiful quality here.

Production

Young vines, wild yeasts, fermented in concrete and then aged in a mixture of old oak and concrete.

Tasting note

Fragrant, bright with an attractive leafy character and dark cherry notes.

Food Match

Serve very lightly chilled with cold meats or if you're feeling adventurous a wild seabass would also fit the bill nicely.
