Valley of the Sun Lebanese Red 2022

LBB0032022

Domaine des Tourelles

— Bekaa Valley, Lebanon

Full-bodied and intensely fruity, this well-rounded wine is a blend of Cinsault, Syrah, Cabernet Sauvignon and Carignan.

Production

Hand harvested grapes are fermented on skins for 8-12 days in the concrete tanks which are a hallmark of Domaine des Tourelles winery. Ageing in these tanks over the winter allows for natural softening and integration of tannins. This blend has been made for an easier, mid-weight style. Meaning it should very versatile and offer approachability.

Tasting note

Food Match

Grilled lamb or beef skewers (kebabs), lamb chops, and kafta pair exceptionally well with the smokiness and tannins.
