Production

Grown on the Clay- Calcareous soils of Progreso, this 100%Tannat is aged for 10 to 12 months in French oak barrels.

Tasting note

Red and black fruit aromas with layered spice lead this full-bodied Tannat, defined by high acidity and grippy, assertive tannins. Concentrated yet focused, the palate reflects careful extraction and a consistent, precise approach. A benchmark expression from Progreso

Food Match

Ideal for pairing with grilled Uruguayan red meats, pasta with strong sauces, Mexican food, and fatty and spicy hard cheeses like Parmigiano
