Pisano Family Wines

— Progeso,

Pisano-Arretxea is a powerful wine, created to mature in the bottle. With careful storage, it will continue to develop for many years after release.

Production

Extract tannins and tartrates were not removed prior to bottling, which means that the wine will naturally form a sediment or ' crust'

Tasting note

Intriguing, complex and seductive aromas of dark fruits, leather, cedar, wet earth, dried herbs and spice. Meaty palate with some salted smoky bacon and a coffee-bean bitterness but with plenty of ripe fark fruit and wild berries. Remarkable length.

Food Match

Perfect with a robust meal. A leg of lamb, roast beef, game and duck. Full-bodied, spicy hard cheeses such as Parmigiano-Reggiano.
