Wild Duck Creek Red Duck, Heathcote 2024

AWD0022024

— Australia

Red Duck is the brother of White Duck. This timeless classic blend that perfectly showcases the terroir of the Heathcote region.

Production

Each grape variety is harvested individually and fermented in open stainless steel fermentation tanks. Each batch of grapes is fermented at 26°C.Afterward, the grapes are basket pressed, and the wine is aged for 16-18 months in large French oak Foudre and small seasoned oak barrels.

Tasting note

Aromas of violet, blackberry, raspberry, roasted spices, and anise. Medium-bodied, the 2024 Red Duck possesses the vibrancy of an electric guitar (in Luke's words), with full-bodied, juicy flavours of raspberry, blueberry, and plum, accompanied by hints of cured meat and spices. Natural acidity makes the palate light and refreshing. Smooth tannins contribute to a long finish.
