Laberinto Arcillas Riesling, D.O. Colbún 2024

CLA0032024

— Limari Valley, Chile

The single vineyard, 57 Rocas Cabernet Sauvignon is directly informed by the terroir of the Maipo landscape. A structured wine the tells the story of the Alto Maipos potential, as well as the winemaking expertise required to realise it.

Production

The grapes come from a single 0.7 hectare plot, facing south with a east west orientation, planted on soil with strong volcanic participation in a section of steeper slopes.80% of the grapes are maceration for 6 hours in a pneumatic press and 20% of the fruit is left for 5 days of skin contact. It is then racked in clay amphorae and concrete tanks at cold temperatures. The wine is kept on its lees for 8 months and bottled unfiltered.

Tasting note

It has an intense fruity and oily character, with hints of quince and rich aromas of celery and honeysuckle. A concentrated and perfectly balanced palate of lime, green apple and wet stones with good depth and rich acidity.

Food Match

Ideal with fish such as trout and all types of charcuterie.

ABV:
13.00%

Case/Bottle Size:
6x 75cl

Closure:
Cork

Appellation:
Do Valle Del Maipo
