Henners Pinot Noir Rosé 2025

EHN0552025

Henners

— East Sussex, Great Britain

Small batch an dhand-picked Rosé made from beautiful, high quality, ripe fruit, which produced wines of quality and character.

Production

Sourced from partner vineyards in Essex and Worcestershire,we have blended burgundy clone Pinot Noir from Essex, with Pinot Noir Précoce, an early ripening clone of Pinot Noir, grown in Worcestershire.Partially destemmed and left to macerate in the press for 8 hours to draw out delicate colour as well as flavours and aromas, followed by gentle pressing and fermentation in stainless steel tanks. Malolactic fermentation was blocked to protect the bright, vibrant, red fruit aromas.

Tasting note

Aromatic, bright, ripe strawberry, raspberry and cherry notes combine with delicate floral aromas to create a wine that is berry rich, mineral fresh and playful.

Food Match

A Rosé to be drunk outdoors in the sun. Pretty in Pink, fragrant with summer berries, and easy on the palate. If you're pairing with food - pink goes with pink... clam linguine with a splash of Pinot Noir Rosé in there, anything with prawns, or even a beef carpaccio.

ABV:
12.50%
